### District

•Teachers from grades 3 through 8 will be using NJSLA Evidence Statements to review which state standards students did not meet and to then analyze how we have taught those standards and what improvements can be made to instruction for those standards.

- Hillside Elementary School
  - •Provided Summer Program in 2024 and will continue the after-school Academic Assistance Program in ELA and mathematics twice a week for grade K-2 & the High Impact Tutoring program for students in grades 3 & 4. New resources are available for these instructors.
  - Aimsweb benchmark and progress monitoring system for students in grades K-1.
  - •Linkit! benchmark and progress monitoring system for students in grades 2 4 September, January, and June.
  - •Providing Professional Development in ELA instruction using a coaching model for grades K-4 and ongoing PD in ELA, mathematics and science through the Northern Valley Curriculum Center

- Hillside Elementary School
  - •Teachers participated in Math & ELA professional learning opportunities over the summer of 2024 (including workshops and planning time).
  - •Math Committee formed to explore best math resource for the 2025-2026 school year.
  - •Continued implementation of the *Into Reading* program in Kindergarten to build stronger foundational literacy skills in all students
  - •We will offer Summer Programs in summer 2025
  - •Continue to provide Sheltered Instruction Observation Protocol (SIOP) training for teachers with Multilingual Learners.

- Tenakill Middle School
  - •Continue to double the amount of instructional time for math in 6th grade
  - •Decreased the class sizes in math in grades 5-8
  - •Expanding our new math diagnostic and intervention program for our basic skills math program (MasterTrack)
  - •Implementing the Units of Study in Writing for grade 5
  - •Utilizing the data from the new Linkit! science benchmark assessment in grades 5-8 to inform science instruction
  - •Linkit! Benchmark Assessment data review and analysis in September, January, and June for progress monitoring

- Tenakill Middle School
  - •Continuing the after school Academic Assistance Programs: three days per week from October to May, which provides small group support and targeted instruction in math and ESL
  - •Offered the Summer Program in July 2024 to provide small group support and targeted instruction in math and language arts and will offer it in July 2025
