SUPERINTENDENT'S REPORT

Mr. Vincent McHale, Superintendent of Schools shared with the Board and the community his report:

- Congratulations to everyone at Hillside Elementary School on being named a 2021 National Blue Ribbon Schools Award winner by the U.S. Department of Education. Hillside Elementary School was among 325 winners nationwide announced by the U.S. Secretary of Education Miguel Cardona on September 21, 2021. This is one of the highest education honors given by the federal government. Hillside Elementary School was successful in earning this recognition due to:
 - Our teachers' skill and dedication;
 - Our students' outstanding academic performance;
 - The school's innovative programs, including STEM, Hillside News Network, music, art and physical education programs, and our own ICARE character education program;
 - The continued support of parents, the PTO, the KPG, and the Board of Education;
 - The delivery of instruction during the COVID-19 pandemic using both an in-person and fully-virtual option for students.
- The United States Department of Education will formally recognize all the honored schools in recognition ceremonies on November 4 and 5, 2021, in Washington, D.C. We will have an in-district celebration soon after November 5, 2021. Congratulations, Hillside Elementary School community. All of Closter is proud!
- We are still working through the challenges of the school start times. He asked for your patience as we attempt to address this challenge, which isn't solved as easily as it appears. He understands the frustration of parents with students in both schools. With regard to drop-off in the morning, he reminded parents to use the drop-off line without getting out of the car. If you need to get out of the car with your child, please park your car in a place other than the drop-off line. This will greatly assist in making the drop-off line operate smoothly.
- As he stated at the start of the year, our top priority this year is to keep schools open while keeping our students and staff as safe as possible from COVID-19. Please know that we are following all guidelines from the CDC and NJDOH (through the Mid-Bergen Health Department) to mitigate the spread of COVID-19. You can review the mitigation strategies we are following in the Safe Return Plan, which is posted on the district website. With regard to quarantine, the Safe Return Plan says we will require quarantine – we will follow the guidelines of the CDC, New Jersey Department of Education and New Jersey Department of Health. The quarantine protocols are dependent on the COVID-19 activity level in our northeast region of the state. We are following the exclusion criteria found in The Road Forward, pages 12-13. This document can be accessed on our district webpage.
- Back to School Nights were held virtually for parents of students in Grades PreK-2 and Grades 5-6, with a good turnout. There will be two more virtual Back-to-School Nights as follows:

- Grades 3 – 4 (not Ms. Cohen’s 4th grade): Wednesday, September 29, 2021, beginning at 7:00 p.m.
 - Grades 7 – 8: Tuesday, September 28, 2021
- Teachers have been assessing students using Linkit! an online assessment tool. Students in grades two through eight have already taken, or will take, a grade level benchmark assessment in language arts and mathematics. The data from the assessment will be used to assist teachers in identifying where students are in their mastery of skills and standards. This assessment is only one of the multiple measures that teachers will use to make instructional decisions. Teachers in Kindergarten and first grade will use Aimsweb, along with other reading, writing and mathematics assessments to determine students’ progress toward standards.
- The NJDOE Start Strong Assessments will be given to all students in grades 4 through 8 starting in October. The Start Strong assessment will be given in English Language Arts grades 4-8, Mathematics grades 4-8, Algebra I, and in Science grade 6. These assessments will be in place of the New Jersey Student Learning Assessments (NJSLA) that were not given this past spring. The Start Strong assessments are intentionally brief (taking about 45-60 minutes) and will provide immediate results to teachers. Parent reports will be provided as well. The Start Strong assessments utilize three performance levels: “Strong Support May Be Needed”; “Some Support May Be Needed”; and “Less Support May Be Needed.” Principals will provide more specific information about when students in grades 4-8 will be taking the Start Strong assessments.

PUBLIC DISCUSSION ON AGENDA ITEMS

Moved by Ms. Micera, seconded by Ms. Cross to open the meeting to the public.

Statements made by individual participants are limited to a duration of three (3) minutes unless otherwise announced at the beginning of the discussion. A maximum of 15 minutes for public input is scheduled as per bylaw 0167. The Board urges large groups to select one person to represent them. The Board reminds those individuals who take the opportunity to speak to please step up, identify themselves by name and address, and to limit their comments to items listed on the agenda.

Ms. S. Wagner, 8 Heaton Court - Ms. Wagner addressed policy number P1648.11 the Road Forward Covid 19 Health and Safety. Ms. Wagner thanked Ms. Eddy and Ms. Schettino from Hillside for keeping her son engaged during quarantine. Ms. Wagner expressed her concerns stating that the Superintendent of Schools has made the decision to follow the CDC guidelines or recommendations on his own. Stating he did not consult with the Board of Education or the Reopening Committee when making the decision. Ms. Wagner spoke with the Mid-Bergen Health Commissioner and was clear with Ms. Wagner that it is a recommendation not a mandate. She further mentions districts who are part of the Mid-Bergen region such as Tenafly, Leonia and other districts that have lifted the travel quarantine. Ramsey however kept the quarantine in place, but when students traveled in a high level area. Ms. Wagner feels decisions are being made behind closed doors and why there is unwillingness to hear opinions from others.

Mr. McHale responded to Ms. Wagner that her statement was untrue. The School Reopening Committee did discuss and agree to follow the CDC guidelines. This was also presented to the Board

for discussion and voted for approval. It was not without transparency - all was shared with the Committee and the Board.

Moved by Ms. Micera, seconded by Ms. Kothari to resume the regular order of business.

BOARD COMMITTEES

No Board committees have met, but the Personnel Committee will meet next week.

OLD/NEW BUSINESS

Mr. Villanueva wanted to share with the Board the public that we have four (4) new grants under the American Rescue Plan. The grants are:

1. Accelerated Learning and Coaching Educators grant
2. Evidence Based Summer Learning Grant
3. Evidence Based Conference Beyond the School Day Grant
4. Multi Tier Mental Health Support Grant.

Mr. Villanueva also asked the Board if they are participating at the New Jersey School Board Conference on October 26-28, to please let him know so they can be registered.

Lastly, Mr. Villanueva advised the board members who have not completed their mandated board training to please do so.

Mr. McHale proposed a new discussion to any board members if they would like to further discuss Ms. Wagner's early comments regarding the CDC guidelines. Ms. Finkelstein added for transparency to why this question is being mentioned. In other communities there has been a question if travel related spread is the cause or is it another activity that families are partaking in. Our priority is keeping the students safe. Ms. Finkelstein asked the Board if they would like to open the discussion regarding the travel quarantine. Ms. Bhagat stated she stands with Mr. McHale and the CDC regulations. She also asked if students travel, are they restricted from coming to school.

Mr. McHale explained that if they are vaccinated they do not need to quarantine after travel. Ms. Micera also agrees with the guidelines. Ms. Lee also agrees with the guidelines and further explains we are supporting those students who are quarantined with virtual learning through streaming.

PUBLIC DISCUSSION

Moved by Ms. Micera, seconded by Ms. Bhagat to open the meeting to public discussion.

D. Witko - 17 Bogart Street, On behalf of the Mayor and Council she would like to congratulate Hillside Elementary Students, Staff and Administration on winning the Blue Ribbon School Award. She also thanked the district for helping Cresskill Public Schools.

D. Avizov - 17 Buzzoni Drive, would like to thank the district for putting the quarantine policy in place.

B. Kim - 3 Eisenhower Road, would like clarity on the dismissal policy for Tenakill Middle School. Mr. Tantum explained that there are teachers supervising students on Harrington Avenue until about 3:30. During inclement weather, they will be brought inside to the lobby until they can be picked up. Ms. Kim wanted clarification on the assigned seating at lunch and recess activities. Mr. McHale explained the reason behind assigned seating is for contact tracing if the need arises. Mr. Tantum explained that during recess the students can rotate through the various activities. We encourage the students to move around and be active.

J. Morgan - 364 Blanch Avenue, asked what is the procedure if a child in a class gets Covid. Does the whole class need to quarantine, get tested? Mr. McHale explained that we are following the CDC and NJ Department of Health Guidelines which states that if they are within three (3) feet for more than 15 minutes those students would need to quarantine, not the whole class. They have also added if the masks were correctly worn, there will not be a need to quarantine.

Ms. Weiss - School Counselor - expressed her concerns with the choppy start to the school year. She also added that there should be two (2) days for teachers to prepare for the opening of school. There is a lot of information for teachers to digest. Our teachers did an amazing job this year, but believe they need a better start.

Board Member Participation at Board Meetings Using Electronic Device

0155.1 BOARD MEMBER PARTICIPATION AT BOARD MEETINGS USING ELECTRONIC DEVICE

The board recognizes that it is a duty of the office to which each member is elected that the member physically attends board meetings. The board acknowledges that on occasion, a conflict may arise that prevents a member from being physically present at a meeting. Due to advances in communication technology, the board has the capacity to permit remote attendance at board meetings through the use of electronic devices. Therefore, the board authorizes that a board member may participate in a board meeting from a remote location through the use of an electronic device according to the following guidelines:

- A. There is a good reason why the board member cannot physically attend the meeting, such reason to be approved by the board president, or, in the case of the board president making the request, the vice president;
- B. A request for remote participation is made at least 24 hours in advance of the meeting; however, requests under 24 hours may be approved in case of emergency;
- C. The board member is able to participate in the full public portion of the board meeting and not just part of the meeting; and
- D. An electronic connection is available and is sufficient for the absent member to be heard by the public.

Remote participation of a member shall be announced to the public and recorded in the meeting minutes at the roll call.

Board members approved to participate in a board meeting from a remote location through an electronic devise may be counted in the quorum. The electronic connection must be audible to the public and in the same location as the meeting. Any remotely participating member will be considered absent for all or part of the meeting as appropriate, if the electronic connection is or becomes insufficient to be heard by the public; if the transmission is terminated due to equipment or power failure or poor connection; or for any other reason that jeopardizes the public's access to information at the meeting in accordance with the Open Public Meetings Act. Such absence shall not negate any participation or voting prior to such termination of connection. The member's absence shall be duly noted in the

minutes, including the time and circumstances regarding the termination of the member's participation.

Under no circumstances shall a board member be allowed to participate in a board meeting from a remote location without prior notice.

A board member attending remotely shall not be permitted to participate in the board's executive session nor vote on any matter at the board meeting that was discussed in executive session.
