The board shall not require or request any information or document protected from disclosure by law or pertaining to criteria that are not legitimate bases for determining eligibility to attend school.

Within the time prescribed by law, the superintendent shall request in writing from the school or district of previous attendance, the student's records.

Affidavit Students

When there is any doubt as to whether a child is entitled to free public education in the school district, all procedures of law and code shall be followed.

Nonresidents

The district is obliged to educate children of appropriate age residing in the district. The mere owning of any property whatsoever, does not qualify a parent/guardian to send children to school in this school district. See policy 5118 Nonresidents.

The board shall make this policy available to parents and the public.
